All of our year 6 children completed their SAT's tests this week and we couldn't be more proud of them! Without exception they did their best, persevered through challenging questions and kept on smiling. The breakfast club was extremely well attended each morning and it gave the children a chance to chat and relax before the start of the school day. Well done and have a fantastic time in Cromer!

Well done to all of the children in year 2 who completed their SAT's this week. Their performance in these assessments will heavily contribute to their overall results at the end of the academic year. All of the children kept smiling, tried their very best and some even said how much they enjoyed it! A big thank you to all of the staff for their calm and relaxed approach.

**Well done Sunshine class!!!**

The last order deadline date for guaranteed delivery of any school uniform orders via Goodies, before the summer holidays is **15th June**. Delivery will be into school before we break up. Any orders received after this date will be delivered the first day of term in September.

I want to wish all the best to both Tracey Martin and Kev Richards who will be leaving us in the near future for exciting new opportunities. Kev is joining North Primary,

Colchester, and the opportunity of cycling to work. While Tracey, through her links with the police, is going to work for Barnardo's. They have both been strong characters on the staff and have brought a great deal to our school community. Myself, the children, the staff and I'm sure yourselves are all grateful for the excellent jobs they have done.

Kind regards,  
Martin Moriarty
