## Athletics Competition

On Wednesday 17th January a group of 20 mixed boys and girls went to the Essex University for a Sports Hall Athletics competition. The children took part in a range of events including throwing, long jump, triple jump, speed bounce and a large variety of different relay races. The children worked brilliantly together as part of a team and were very supportive of

each other. They all had a great morning and came 6th overall out of 12 schools. A very well done to all the children involved. They were a credit to the school. Thank you to all the parents, Mrs Walker and Mrs Howard for their support and help with transport.

## Reports

After the meeting with parents to discuss report writing, it was clear that those who attended, felt a fuller school report in the Spring term would be more beneficial than in July. This would enable parents/carers to see if their child/children were making the expected progress as well as receive targets to help them move forward with their learning. Therefore, reports will be going out on Friday 23rd March and there will be a Celebration Evening on 28th March between 3.30pm-5pm. This will give parents a chance to look around the classroom, look through books and chat to the class teacher.

### *Did you know?*

...Children who read books often at age 10 and more than once a week at age 16, gain higher results in maths, vocabulary and spelling tests at age 16 than those who read less regularly.
