FORTNITE

Safeguarding

It has come to our attention that some of our pupils are accessing the game Fortnite. This game is rated for children 12 years and above, so it is important that as parents you understand the risks associated with this.

Weather

Please could parents check the weather for the day, before sending their children to school and dress them accordingly. Unfortunately we have had quite a few children coming to school with no coats when it is forecast rain. We do still send the children out when it's light rain so the children do require coats.

Thank You!

NON-UNIFORM DAY

ON 27TH JUNE, THERE WILL BE A NON-UNIFORM DAY IN RETURN FOR A FILLED JAM JAR DONATION TO THE PTFA. MORE DETAILS TO FOLLOW.

Prayer Spaces are back!

Between the 10th – 20th May there will be the opportunity for the children and yourselves to engage with several prayer spaces in the Church. We were luck enough to have these in school before Easter and they got very positive feedback from the children. If you yourself are not a Practicing Christian the activities are great for mindfulness and reflection on the world around you.

The summer term is starting to heat up, slowly, and the children are already producing some fantastic work. I am sure that many of the children are looking forward to the numerous sporting events and Sports Day. The Inclusive Multiskills event at Thurstable was a clear success with our children once again being a credit to the school. I am also very grateful to Mrs Fayers (previously Miss Francis) for organising the Talent Show as the children that I have seen at audition have been fantastic.

Following some discussion with parents we are sending out information on how we teach Maths across the age ranges. If there is anything that you think would benefit yourself or the parent community, please let the office know and we will see what we can do.

Kind regards,
Martin Moriarty
