## Maths Workshop

On Tuesday 8th May the parent's of the children in the Rainbow and Sunshine Room came in to the classroom for a Maths Workshop. The children showed their parents a wide range of maths activities that we do in the foundation stage to develop their confidence in their ability to understand and use mathematics. Everyone had a lovely time and the parents found the session very informative. A big thank you to

all those parents who were able to join us.

## Penny Race

Thank you to the PTFA, staff, pupils and parents for organising and supporting the penny race. A special thanks to the following pupils who helped collect the coins at lunch time:

Hannah (11) Callum (11) Archie (6) Elsie (6) Hollie (6) Amy (6) Daniel (6) Martha (6) Vali (6) Evie (7)

The total length of all the coins was 531 metres!

All the money goes back to school and the children but the class with the longest line will also win a prize!  
**£318.83**

Reverse order:

Class 11 - 17.27m

Class 10 - 20.49m

## St Luke's Baby News!

Many congratulations to both Mrs Bernard, class 7 teacher who recently welcomed a new baby girl, called Florence May into her family and Mrs Nelson, Rainbow class teacher who welcomed a baby boy this week, no name as of yet. Both Mums and babies are doing well, and we all wish them well.
