

St Luke's C. of E. Primary School Governing Body

know, love, serve; God, Ourselves and Others.

	<p>Stewart Eastbrook - Chair of Governors – Foundation DBE I have been a governor for 5 years and Chair of Governors since September 2016. I am a foundation governor which is appointed by the church, where I sing in the choir. As a past pupil it's a privilege to be able to lead the governing body and see the positive changes that have occurred over the last couple of years. I am a Detective Sergeant with Essex Police based at Colchester CID, and both my daughters attend St Luke's. In my spare time, I like to cycle, cook, and I play the piano.</p>		<p>Paul Butcher – Vice Chair – Local Authority The village has been so friendly and welcoming to my family and I since moving here over 15 years ago, I was keen to give something back. My daughter provided the motivation to become a Governor in early 2015 and Alice subsequently started in 'Sunshine' that September. It is very rewarding to know that a little bit of my time can have a positive impact not just on Alice but all the children at St Luke's. My day job is a Commercial Director for the Met Police and in my free time I like to spend it with my family. I also enjoy reading, gardening, military history and wildlife.</p>
	<p>Rev Anne-Marie Renshaw – Foundation (ex officio) I am the Rector of St Luke's Church Tiptree. I became a governor because - well, to be honest, it's part of my job! What I love most about being a governor is getting to know the school, its staff and children and working with others to improve our school so that every child can flourish and achieve their potential. My Hobbies include playing the clarinet and reading</p>		<p>Simon Morgan – Foundation PCC I am the Electoral Roll officer for St. Luke's Church where I have attended since I moved to Tiptree in 2005. I have worked for the NHS since 2012 currently at Broomfield Hospital in Chelmsford. My wife is a Cover Supervisor at Thurstable Secondary School and I have 2 daughters who both attended St. Luke's. My eldest daughter is currently finishing her last year at Canterbury University and will be starting her new job as a primary school teacher in July. Her mother was also a Teaching Assistant at St. Luke's so teaching is very much in the family. My main hobby is running and I am also a qualified Coach and Official for England Athletics.</p>
	<p>Danielle Riley – Parent Governor I have been a Governor for 6 years and I have a son in Year 6. I enjoy being able to give back to the school and help plan for our future. I am the Link Governor which oversees Governor training and development, I help maintain the website. As Chair of the Curriculum and Pupil Related Matters Committee, I am involved with the school curriculum, evaluating data and community events.</p>		<p>Robert Potter – Associate Governor I have worked in catering all my life, my hobbies include cycling, socialising, playing golf and watching motorsport. I have two children that attended St Luke's and are now at Thurstable, they both agree that they had a wonderful time at St Luke's. I have now been on the governing board for 4 years, whilst enjoying every aspect of the role the highlight was joining the Cromer visit last year!</p>
	<p>Jo Canning – Staff Governor I have been teaching for over 14 years now and have had the pleasure of teaching all age groups from Reception to Year 6. Four of those years were spent in an International School in China, where I developed my skills as a leader (of education) and developed my love for Chinese food! Before teaching, I worked as a Social Worker in Framingham, Massachusetts for a couple of years. This was after completing my degree in Psychology and Criminology. I returned from the U.S. to re-train as a teacher. I enjoy travelling and have been fortunate to use my work to enable me to see the world. I absolutely love teaching (almost as much as Chinese food!) and being part of the school community.</p>		<p>Mike Bishop - Parent Governor I am an Operations Shift Manager/Project Lead at Bradwell Power Station. What I love most about being a Governor is being part of a proactive and enthusiastic team. One of the strengths of St Luke's is its people, its staff, volunteers and pupils. Becoming part of the school and being able to lend my experience to help make a difference not just for my daughters, but for all of the children, is immensely rewarding. My interests are Family life, motorsport & classic cars, DIY, festivals and travelling.</p>
	<p>Adam Jones – Co-opted Governor I have been a Tiptree resident for 40 years, I went to St Luke's myself. My mother taught at the school, my daughter is in class 5. I work as an automotive Engineering Manager for a large US car manufacturer. I offered to become a governor to give something back to a school that has given so much to me and my family.</p>		<p>Suzanne Spall - Co-opted Governor Being a staff member gives me an added advantage to my role. I have worked at St Luke's for almost 21 years. I started as a volunteer in EYFS and I am now the Snr HLTA. I am married with three children, who all attended St Luke's and have very happy memories of their time here. I enjoy spending time with my family, walking my dogs and play an active part in Tiptree Artistic Roller Skating Club, where I have volunteered for over 20 years.</p>
	<p>Pauline Wakeling – Co-opted Governor I used to be a special needs teaching assistant in the borough of Barking & Dagenham. On retirement, I moved to Tiptree and have been a volunteer at St. Luke's school for nearly 10yrs. I have been a school governor for almost 4yrs. I am a scout leader in Dagenham and also belong to the St. Luke's chime ringers.</p>		<p>Andrew Lennox - Co-opted Governor Hi, I am a father of three, with a daughter currently in Class 7. I run a global operations improvement programme for National Express group. In the spare time I have, I enjoy spending time with my family.</p>
	<p>Ian Moody – Parent Governor I have a diverse work history having trained as an aero engineer with Rolls Royce, worked in outdoor pursuits, hospitality and retail management before starting my own small building and property maintenance company 14 years ago. I am married to a primary school teacher so am often seconded to help create resources and even helping on the occasional school trip. As a family we are lucky enough to have a motorhome which allows us to make the most of the school holidays and weekends exploring Britain and Europe and enjoying the great outdoors. I hope as a parent governor I can represent the views and beliefs of those who's children attend St Luke's and offer support and advice to all those at the school working hard to give our children the best possible start in the world of education.</p>		<p>Amy Lomer – Parent Governor I have been a governor for over two years now, and I am a qualified teacher and freelance editor/proofreader. My children are in year two and year five, and I am grateful that my role as a governor gives me the opportunity to give back to the school which has done so much for them. I am part of the Curriculum and Pupil-related Matters Committee, and my interests include cooking and baking, music, literature, particularly Shakespeare, gardening, and spending time outdoors. St. Luke's is like a family, and I am very proud to be a part of it</p>
