

Collective Worship Policy

This policy is intended to be read by teachers, teaching assistants, parents, governors, inspectors, support staff and staff from other schools with which we may have links.

Date Approved: Summer 2017

Date of Review: Annually, Summer 2018

All human beings were created for worship. The question is not whether we worship, but who (or what) we worship. Worship is the most important human activity. Worship causes us to look beyond ourselves. Worshipping God causes us to discover more about ourselves and our place in this amazing universe. Worship, therefore, provides the very foundation of our being.

The Most Reverend and Right Honourable Dr John Sentamu

Policy Statement

At St. Luke's School, the daily act of collective worship is viewed as an integral and important part of school life. Through this and in the general ethos of the school we seek to promote our vision statement.

To create a caring Christian community in which all individuals feel valued, supported and respected, and where potential is recognised and developed.

It is a time where we come together to learn about God, give thanks, celebrate our achievements and sometimes reflect on our shortcomings. The worship of the school is based on promoting the Christian values which permeate the ethos of the school. As such, the contributions of staff, pupils, church clergy and other visitors are valued highly.

Christian Values

Although difficult to define, we identify the values of **forgiveness, fairness, respect and tolerance of others, integrity, compassion, honesty and self-worth**. These values are embodied in the Greatest Commandment that Jesus gave us:

Mark 12:30-31 (NIV)

Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' The second is this: 'Love your neighbor as yourself.' There is no commandment greater than these.

We also actively seek to encourage the attitudes of awe, wonder and reflection.

Values Education

We blend Christian teaching and Values Education in order to create opportunities for children to develop physically, emotionally, personally, socially, mentally and intelligently so that their self-esteem and well-being is sound and supported by ever growing emotional intelligence; leading to an understanding of their rights and responsibilities as young citizens. The systematic introduction of a common values vocabulary allows children to access moral and ethical thought.

Legal Requirements

We acknowledge the legal requirement stated in the 1988 Education Reform Act 6 (1) and 9 (3), which states the need for each child to attend a daily act of worship either as a whole school, class or group. Parents have the legal right to withdraw their children from the act of worship either partially or wholly. Any parents wishing to do so should contact the Head teacher. Teachers also have the right to withdraw from leading and taking part in worship.

Organisation

We aim to provide a variety of worship experiences for the children. Our current schedule is as follows:

Monday Whole school worship led by the Headteacher, Deputy Head or by a member of the senior leadership team. This is focused on the value that has been chosen for each half term.

Tuesday Key Stage One: Hymn and singing practice, with prayer/reflection time, led by teachers on a rota basis.
Key Stage Two: Class Worship, led by the children in that class or by members of the worship council.

Wednesday Whole school worship based on the value chosen for each half term. This takes place alternately in the school hall (led by teachers on a rota basis) and in St. Luke's Church (led by the rector or the curate).
Foundation Stage: During the Autumn and Spring terms the rector or curate comes into the foundation stage classroom (on alternate Thursdays or prearranged dates) to take part in collective worship. The foundation stage classes join the rest of the school on Wednesdays during the Summer term.

Thursday Key Stage One: Class Worship, led by the teacher with input from members of the class.
Key Stage Two: Hymn and singing practice, with prayer/reflection time, led by teachers on a rota basis.

Friday Celebration Assembly led by the Headteacher. Each class leads a class assembly once during each term when parents, relatives and friends are invited to join us.

In addition to this, visiting groups and individuals are welcomed into the school to lead worship. We aim to include the children in the planning and deliver of our Collective Worship, wherever possible.

Collective Worship should last approximately 15 minutes.

Worship Council

St Luke's have an enthusiastic and creative worship council which consists of two children from each Key Stage 2 class. They meet with the worship coordinator once a month in order to provide feedback on all aspects of collective worship and also to plan upcoming acts of class worship. Their role includes, monitoring, delivering and facilitating others to lead acts of worship. They also

meet with the rector and have worked with her to deliver acts of worship in the church.

Planning, Content and Detail

The themes for collective worship reflect our Values focus for that half term, the Church calendar, our school ethos and current events. To deliver high engaging assemblies and to maintain a consistent thread of learning we use the resource: Values for Life. This is the starting point for all of our collective worship, whether in the church, as whole school in the hall or in individual classes. Each half term a Value is chosen by the rector and the worship coordinator. The whole school explore this meaning and application of this value within an age appropriate context.

Whole school worship begins with the children entering the hall accompanied by a piece of music. The altar displays the cloth appropriate for the season of the Anglican calendar. The candle on the altar table is lit and the worship begins. The children are regularly involved in the worship, which finishes with a prayer and included the Anglican versicles. The candle is then blown out before any messages are given. This allows for us to make a clear distinction between worship and assembly. The children then lead out as the music is played.

The Four Part Model

This four part model for worship is unpacked below based on a very helpful resource called Flippin Praise (<http://www.churchschoolseast.org.uk/documents/A4FlippinPraisetouse.pdf>). The principles can be applied to whole school, phase and class worship settings.

Gathering

A distinctive atmosphere and a clearly visible focus point are important. There should be a feeling of expectation as people gather for worship.

We gather together and greet each other. We all come to play a part in this community. We are preparing to meet with God.

Think about...

How is the room arranged?

How are people greeted?

Does everyone know their role?

Engaging

This may be the main part in an act of worship. In a Church school, it should encourage children to engage with the Bible, Christian teaching, and most importantly, with God.

We engage with the big things and the little things in life. We encounter Jesus and the stories of the Bible. We are listening for God's message to us.

Think about...

How will you share the message? From the Bible? God's people in history? God's people today?

What strategies will you use?

Will you use your own experience or current events?

Responding

For every child and adult present, some response should be possible. All should understand that this is time set aside for deep thought and for each to respond in an appropriate way.

We respond to what we have heard and seen. We respond together and as individuals. We are given the opportunity to worship God.

Think about...

Will you spend time thinking or reflecting?

Will you pray?

Will you do something practical as a response? How?

Sending

The ending of the act of worship should be full of purpose, as people are sent out to be different and to 'do' differently.

We are sent out to love and serve one another and to make a difference in the world. We are all dismissed with God's blessing

Think about...

How will people be sent out of worship?

Will there be special words? A blessing? A dismissal?

Who will lead this?

Prayer and Reflection

Collective worship always includes a time of prayer and/or reflection, including hymn practice. A range of prayers is used including the Lord's Prayer, prayers written by the children and others. They are introduced in an appropriate manner with a short time of quiet. The school is actively developing the children's confidence in reciting simple liturgy. At the beginning of the whole school worship led by the Headteacher or Deputy Head, a time of reflection and quiet is encouraged by the lighting of candles. A cross is also displayed on the altar table.

Before Lunch and occasionally at the end of the day, classes give thanks and reflect while the teacher or child says a short prayer.

Other Faiths

At St Luke's our worship reflects our Christian beliefs and values and we are also committed to respecting each other's faith stance and culture, showing tolerance and understanding regardless of pupils' beliefs. The class led acts of worship may portray other cultures and beliefs as they reflect the RE studied as part of the curriculum requirements.

Record Keeping, Evaluation and Monitoring

Evaluations are carried out by the worship council and feedback is given to the worship coordinator. These, along with rotas and details of visits are kept in the worship coordinator file. Training is encouraged and available for those who wish to lead acts of worship.

Visits and visitors

As part of the curriculum, St Luke's School ensures that appropriate visits are made available for the children in order for them to have first-hand experiences and gain a greater understanding of various places of worship.

Visitors to the school are welcomed and enabled to share their experiences and knowledge –

their role is to educate, not to evangelise. St Luke's Church is our most valuable and frequently used resource, with the whole school attending and contributing towards annual Harvest, Christmas, Easter and Leavers' Services.

Equal Opportunities and special needs issues

All pupils, regardless of academic ability, age, gender and ethnic origin will have access to a wide range of appropriate activities to support their understanding of R.E. At each Key Stage, the teacher will draw from other religions as appropriate to acknowledge and celebrate the religious beliefs of the children within the class.

Collective Worship Coordinator Responsibilities

- Assist governors and Headteacher in fulfilling their legal responsibilities with respect to Collective Worship. Send invitations to your governors at various times throughout the year.
- Ensure that collective worship maintains a high profile in the life of the school through displays / resources / artefacts visible in the school.
- Write / review the school's collective worship policy in consultation with the Headteacher, staff and governors
- Ensure staff and governors are aware of and use the policy document
- Plan a programme of worship for the year
- Work with staff, children and visitors to support the planning & delivery of worship
- Evaluate and review provision for Collective Worship with governors and staff. Update as appropriate the schools self-evaluation for SIAMS
- Plan for the development of Collective Worship (included in the school development plan).
- Develop documentation for planning, monitoring, evaluating and recording acts of worship.
- Develop an adequate range of resources for worship.
- Attend relevant inset & disseminate information to staff
- Liaise with a variety of people, including the parish clergy, diocesan advisers and visitors who can advise and support the delivery of Collective Worship.
